

Welcome back beauties!

"O" de Kirei appreciate your support, your patience, and kindness as we navigate the new beauty world. We are elated to see all our beauties' faces back in our practice!

A lot has changed, yet nothing has changed. Your health and safety have always been the top priority with our attention to detail in services. We are doing it slowly and thoughtfully with compassion for all our beauties. Please note that we will continue to exceed in beauty regulations released by the Centers for Disease Control and Prevention (CDC), Los Angeles Department of Public Health, and California State Board of Barbering and Cosmetology (BBC) as they are announced. Here are some of the measures taken prior to your visit to "O" de Kirei.

What to expect during your visit

- Entry to "O" de Kirei is restricted to clients with appointments only, no walk-ins. Due to limited spacing, our maximum occupancy is 1(one) client. Please do not bring any additional guests or children to your session.
- Regardless of the vaccination status, all clients must wear a mask or face coverings at all times when entering our practice and exiting our building.
- Upon arrival, clients' body temperature will be checked using a non-contact infrared thermometer. If a client has a body temperature of 100.04 degrees Fahrenheit or above; and has shown symptoms similar to a cold or flu, we kindly ask to reschedule the appointment after 14 days.
- If a client has been in contact with or experienced any symptoms of COVID-19, or have tested positive, we kindly ask to reschedule the appointment after 14 days.
- Hand washing and hand sanitizer are available to all clients upon arrival. The use of hand sanitizer is encouraged on the way in and out of the building.
- Please limit your personal belongings to essentials only.
- Clients with long hair will be given an elastic rubber band to tie it in a ponytail or a bun prior to receiving a service.

What to expect when receiving a service

The owner/therapist will continue to remain protected and monitor her health and body temperature while adhering to the following precautionary measures for clients' safety in wellness.

- Frequent hand washing and sanitizing will be performed during business hours. All the high-touch areas (ie: doorknobs, restroom keys, light switches, sinks, work area, products) will be wiped down per client visit.
- Owner/therapist is fully vaccinated and boosted against COVID-19.
- Clean face masks (medical and KN95) will be worn during all client interaction.
- Workstations are cleaned, sanitized, disinfected between each client interaction.
- In-room handwashing is included in all protocols prior to and post treatment.
- Clean disposable gloves will be worn during all treatments, including facials and electrolysis, and will be disposed of when the service(s) are completed.
- Before each appointment, the treatment room/office will conduct an air sanitation protocol.
- Testers and magazines will not be available at this time.
